

## FAS Offices

### Search Results

This information is provided for the convenience of U.S. agricultural exporters and others involved in international agricultural affairs. For information pertaining to any of the offices listed, the initial contact should be with the [Area Director](#) or Program Assistant responsible for that post. General questions about FAS overseas offices should be directed to the Assistant Deputy Administrator for the Office of Foreign Service Operations, FAS.

Your search for FAS Overseas Offices has returned the following results:
