

BOND FOR TRANSFER OF SUGAR EXEMPT FROM QUOTA
(FOR SPECIFIED PERIOD)

Under this bond _____, of _____
_____, as principal, and _____ of
_____, as surety, agree to be bound to the United States of America in
the sum of _____ dollars (\$ _____) for the payment of which
we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and
severally. The principal and surety acknowledge that the principal wants the U.S. Department of
Agriculture to permit the principal to either refine program sugar, transfer program sugar for the
manufacture of sugar-containing products, or transfer program sugar for use in the production of
certain polyhydric alcohol, pursuant to Part 1530 of Title 7 of the Code of Federal Regulations
(the "Regulations"), within a period of _____ from _____
to _____ inclusive, on condition that an equivalent quantity of sugar will be
exported in refined form or as an ingredient in sugar-containing products, or used in the
production of polyhydric alcohol.

Therefore, for each program transaction described above, this bond is expressly
conditioned upon the principal complying with the provisions of the Regulations for (1) refining,
transferring, or using program sugar, and (2) obtaining a credit to the principal's license under 7
CFR §1530.106.

If the principal satisfies that condition, then this obligation to be void; otherwise it shall remain in full force and effect, provided, however, that the obligation under this bond will be reduced proportionately by the quantity of program sugar which is exported, transferred, or used for the production of polyhydric alcohol, and for which a credit to the principal's license is obtained in accordance with the Regulations.
